### 2026 Dog Licensing

**Don't forget to get your 2026 Dog License!!**

**(if you do not have a Lifetime License!)**

I cannot convey the importance of this! The Dog Warden is being tasked with random checks at day care and boarding facilities. Fees will be increasing for non-compliance.

Please check the attached flyer for more information. If your dog is chipped,  
**PLEASE** speak to your vet.

Bad weather? If you do have a reservation & need to cancel, please just let us know. Our staffing levels are based on our projected attendance.

Any weather decisions will be made by 6am. Notifications will be: email/text sent, voicemail message, posted on WFMZ and social media.

- Thanks for your help.

## 10am Drop Off

**A reminder that we ask all guests be dropped off by 10am.**

Why? At that time, the staff transitions to our smaller play groups and activities for the day. It is not ideal to introduce a new dog at that point, plus it removes a team member from their group (which is a safety issue and a hard no!).

We ask that you continue to comply with this.

## Vaccines

**Reminder that Guests will NOT be allowed to attend Day Care if their Rabies vaccine is expired by MORE than 7 days!**

With this in mind, please make those annual exam appointments early, as offices are booking out past a month in some cases.
