

**NAUGHTY OR NICE?**  
*Valentino asked for new food puzzles, some yummy treats, and a big fuzzy coat for Christmas!*

## NEW YEAR, NEW LICENSE

State law requires that your dog is licensed. The license tags do not need to be on your dog's tag if we have the number on our handy spreadsheet. If you are license-less, please purchase one. Please visit [www.padoglicense.com](http://www.padoglicense.com) or contact your vet for more information. If your pup is microchipped, that is not a license. With your vet's help, you will be able to obtain a lifetime license. If your pup goes missing, the fastest way to be reunited is by having a microchip with your information imbedded in it. This is usually done at your pup's spay or neuter, and once done, you are eligible for a lifetime license. Once you get that done, you are set for life!!

## ARE YOUR PARENTS ASKING "WHAT DO YOU WANT FOR CHRISTMAS??"

Well, we can help them out! Ask for something you can use, not another sweater. Gift Certificates are available in any amount. Orders can also be accepted via phone for those out of town family members. It truly is the gift that keeps on giving!

## HAPPY BIRTHDAY TO YOU!!

### ATTICUS

*Atticus is our onsite Reindeer Herder! It comes natural to him since he is a German Shepherd after all! He takes this job very seriously and makes sure all the reindeer are in tiptop shape for their journey at the end of the month.*
