

# THE PUPPY PALACE

## DOGGIE DAY CARE

JAN 2023  
Volume 17, Issue 1

### LAND OF THE LITTLES

*They may be little but they are fierce! Once you step foot into Littles Land, you have to abide by their rules. You must share toys, play hard, and be ready to cuddle at a moments notice!*

### SNOW!

Ahhh! It's that time of year! Should we be expecting snow or ice, there are three ways to find out if we are forced to close:

- **Facebook!!** This is our first place we update.
- **[www.WFMZ.com](http://www.WFMZ.com)** for any weather related closures.
- **Voicemail**

And if that doesn't cover it all, I don't know where else to list it. We will make all decisions by 6am the day of. Shannon lives only a few minutes away and will make every effort to open.

My best advice is when in doubt, call us.

### THANK YOU!

A huge **thank you** for the generosity you showed this holiday to the staff. We really appreciate you thinking of us, and it means the world to us!

## SICK KID

If your pup is not feeling well, please keep him or her home in case they are contagious. With the type of social environment that we have, yucky germs can spread like wildfire. We can only keep this facility safe with your help. So please, exercise caution if your pup is under the weather. We try our best to put out the Bat Signal should we notice anything funky going around. Also, if you utilize other facilities for boarding or day care, please make us aware of that. That can come in handy when we hear rumblings from our vet friends

### CHARLI

*Charli, Charli-Girl, Charlemagne, she's a girl with many names! Charli is a chocolate lab who loves to play ball and eat cookies. When she's not doing either of those things, she is probably following Amber and Kayleigh around.*
