

THE PUPPY PALACE

DOGGIE DAY CARE

Dec 2022
Volume 16, Issue 12

THANKFUL FOR NICE WEATHER
We are thankful for every dog and owner who walks through our doors! Thank you for sharing them with us!

NEW YEAR, NEW LICENSE

State law requires that your dog is licensed. The license tags do not need to be on your dog's tag if we have the number on our handy spreadsheet. If you are license-less, please purchase one. Please visit www.padoglicense.com or contact your vet for more information. If your pup is microchipped, that is not a license. With your vet's help, you will be able to obtain a lifetime license. If your pup goes missing, the fastest way to be reunited is by having a microchip with your information imbedded in it. This is usually done at your pup's spay or neuter, and once done, you are eligible for a lifetime license. Once you get that done, you are set for life!!

ARE YOUR PARENTS ASKING "WHAT DO YOU WANT FOR CHRISTMAS??"

Well, we can help them out! Ask for something you can use, not another sweater. Gift Certificates are available in any amount. Orders can also be accepted via phone for those out of town family members. It truly is the gift that keeps on giving!

MUSHROOM

Mushroom is a Cavalier King Charles Spaniel. But more importantly, he is a Scorpio. He is very much a stereotypical Scorpio: Determined, loyal, and good looking. I mean look at that hair!

WELCOME TO OUR NEW GUESTS!

Delilah - Maltipoo
Cooper - Springer Spaniel
Jolene - Cockapoo
Nyla - French Bulldog
Sonny - Pit Mix
