

LOVE IS LOVE

Xander and Louie tied the knot last month in our first ever Puppy Palace nuptials! There wasn't a dry eye in the room.

DOG DAYS OF SUMMER

Summertime is here and so is the heat! We do our best to keep all the dogs cool and comfortable with pools, ice, cooling mats, and fans. We will be applying sunblock to our sun sensitive friends as well! If your dog is not a water lover, it may be best to leave them at home on the couch on warmer days.

Unfortunately, we do not have air conditioning in our play areas, so on dangerously hot days we will be closing early. We apologize for any inconvenience, but we want to do what's best for our furry friends!

If your schedule is changing this summer (vacations, adding or reducing day care) please let us know ahead of time so we can adjust accordingly. As always, our guests must be here by 10 am!

We will be closed Monday July 4th in observance of the holiday.

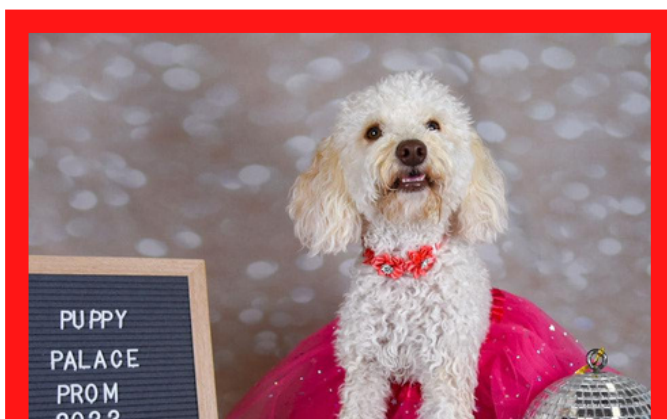

FLEA AND TICK

They're back! Please make sure your dog is up to date with flea and tick treatments. Please remove any flea collars before sending them to day care, and make sure your dog's topical treatment has dried and absorbed before sending them in. Nobody wants a mouth full of chemicals!!

OTTO

Otto is a German Shorthaired Pointer and boy is he handsome! He loves to play ball, chase his nub tail, and get love from his favorite teacher Vanessa! He is a great addition to any play group! We love ya, buddy!

CHARLEY

Charley, a mini golden doodle, is like a bolt of energy! She rarely sits still and is always on the move looking for a buddy to play with. She is also very selective to who she gets pets from, so when she chooses you its like winning the lottery! Love you little lady!

CAITY AND ALYSSA

Caity and Alyssa joined our team a year ago this month!

Caity joins us Monday through Thursday with her Aussie, Leia! They are both known for their creative hair colors, we never know what to expect when they walk through the door. Caity is also our "Lunch Lady" and we love her for it!!

Alyssa is our little ray of sunshine on a cloudy day. She has a Boxer brother named Duncan, and she loves all the boxer boys who come to day care (especially Camo!!!)

Alyssa is always ready to crack a joke or make us laugh. Thanks for being you, Alyssa!
