

GOOOOOO JILLIAN!!

The Puppy Palace family supports their own! We headed out to BASD Stadium to celebrate Jillian at her senior night! Liberty brought home the gold that night!

NEWS YOU CAN USE

- Warm weather is here! That means we will have the pools, sprinklers, and foam machines out. Pools are out on any sunny day and are drained by 3:30 to allow for the pups to dry off.
- We are continuing to do our "swim tests" throughout the whole month of May and will be sending home the results of these tests in June. Why are we doing swim tests? We want to know if your dog cools themselves off in the pool, or needs some reminders from us. This will help us give your pup the best summer experience!!
- Did you know some dogs need sunscreen? Dogs with thinner fur, white fur, or sensitive breeds like whippets and pit bulls may need some extra protection. We have some on hand, but you may also bring in some for your own pup and we will apply as needed.
- If your dog is wearing liquid flea and tick medication, make sure it is applied several days before their day care reservation. This will ensure nobody gets a mouthful of chemicals during play time, and none will be washed off in the pools. As always, please remove any flea and tick collars prior to arrival!

SHOULD I BRING IN LUNCH FOR MY PUP?

For young dogs under six months we recommend bringing in a small snack or lunch. This allows them to take a much needed break and to refuel. **Please make sure it is in a sealed plastic container and labeled with his or her name.**

For older dogs, we ask that you refrain from bringing food in as it interrupts their activities and play time. We recommend adding a bit more food to their breakfast and dinner on day care days.

LICKY MAT MONDAY

Every Monday your pup can join Maggie for a deliciously fun enrichment activity. Licky mats are a perfect way to shake up your pup's routine and involve them in some brain stimulating activities. Sign up is just \$5!

DAISY

This little lady right here is an enigma. She is chill, but also crazy. She wants to be pet, but only on her terms. Daisy the husky is a mystery to those around her. But if there's one thing we definitely know about Daisy its that she is a good friend to all! We love this little lady!
