

WILL YOU BE MY VALENTINE?

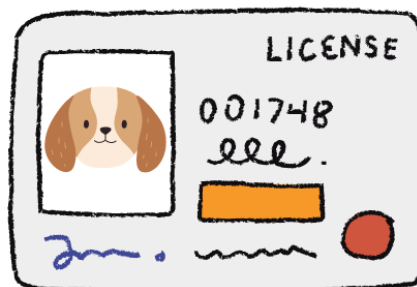

Join us Jan 30th-Feb 3rd for Valentine's Photos and then Feb 13th-17th for a Valentine's Week Party!! More information on page 3!

IS YOUR DOG LEGAL?

New Year, New Dog License!!!

Tis the Season to update your annual dog license. If your dog is microchipped, you can obtain a Lifetime License with the help of your vet. Please look at this info!!!

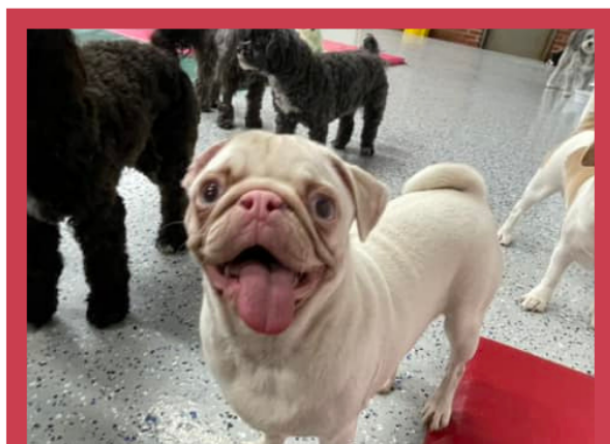

While we do not require your dog to be license, the State of PA does. During our random inspections, our Dog Warden does and will check for license numbers. PLEASE give us the number when you receive it, and we will add it to your account.

NEWS YOU CAN USE

Should we expect any snow or ice, there are three ways to find out if we are expected to close. We will announce any closures on our Facebook first. Closures will also be posted on WFMZ. When in doubt, give us a call. **All announcements will be made by 6 am that day.**

As the weather begins to get warmer, please remember to apply your pet's **flea and tick** products before their day care visit. Dogs often play with their mouths, and no one wants a mouthful of chemicals! We also ask you take off any flea collars prior to their visit.

RUBY

Have you ever met that pug that just sleeps all day? Relaxes? Basks in the sun and you barely even know its in the room? That's not Ruby. At all. She is NUTS! And we love her for it!! Ruby keeps us all on our toes, even while she's hanging onto our pant legs. And we wouldn't want her any other way!!!

HAPPY BIRTHDAY TO YOU!!
