The Annual Food & Supply Drive

We again will be partnering with the Lehigh County Humane Society for our Annual Food & Supply Drive. Feel free to drop off or ship any donations to us beginning November 10th. We will keep the collection running until Friday, November 21st.

A list of needed items is attached.

It is a great time to get rid of those unused pet items and to clear out the linen closet!

Thank you again for your generosity! We fill their van every year! ❤️

Vaccines

Reminder that Guests will NOT be allowed to attend Day Care if their Rabies vaccine is expired by MORE than 7 days!

With this in mind, please make those annual exam appointments early, as offices are booking out past a month in some cases.
