

WILL YOU BE MY VALENTINE?

Join us February 8th-12th to be included in our Valentine's celebration! More information on page 3. Splinter is always looking for more secret admirers!!

KEEPING TRACK OF YOUR PASS

Lost and Found

We have a collection of dog food containers in the front office. If you think you are missing something, please come claim it before they are donated! Thank you!

When you pre-purchase a package of days for your pup, their days and subsequent visits are kept track by Lissa using the old fashioned method of pen and paper. Please do not be alarmed if there is a different amount of visits showing on our customer portal, Gingr. The pass system on Gingr is purely used to speed up our check-in and check-out processes.

Because of how the software is set up, it does not always deduct pass days, but rest assured we have the proper amount listed in person.

If you have any questions or want to double check how many days you have on your pass, please give us a call or send us an email!

NEWS YOU CAN USE

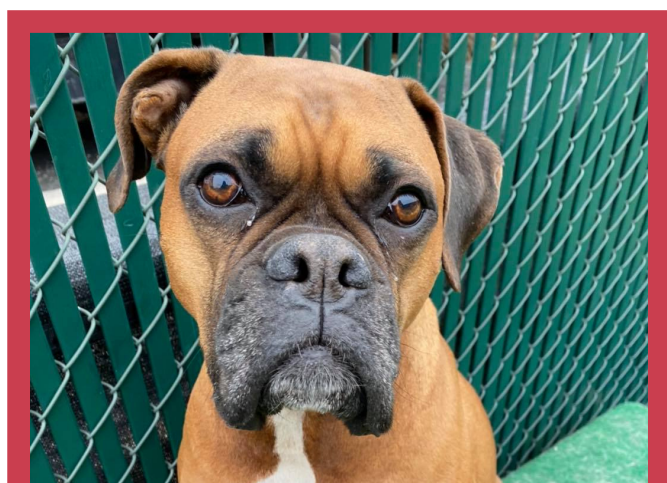

Should we expect any snow or ice, there are three ways to find out if we are expected to close. We will announce any closures on our Facebook first. Closures will also be posted on WFMZ. When in doubt, give us a call. **All announcements will be made by 6 am that day.**

As the weather begins to get warmer, please remember to apply your pet's **flea and tick** products before their day care visit. Dogs often play with their mouths, and no one wants a mouthful of chemicals! We also ask you take off any flea collars prior to their visit.

HAPPY BIRTHDAY TO YOU!!
