

THE PUPPY PALACE

DOGGIE DAY CARE

MAY 2021
Volume 16, Issue 5

What a year this has been! We are finally all seeing the light at the end of the tunnel, personally and professionally. Like every other business, the pandemic has forced many of our expenses to rise, and staffing has become very difficult as you can see with all the 'Help Wanted' signs in windows.

Despite the craziness, we continue to add experienced staff to our team, shrinking our dog-to-staff ratio. In the coming months, we will be introducing a 'Puppy Palace Prep School', where we will be reinforcing basic manners and behaviors with some students that could use some extra practice while at school. We will also continue to include "Brain Games" and our other daily activities to give our guests the extra stimulation they crave at no additional charge. The ladies have upped our social media game by investing in new technology to continue to bring you fabulous photos of your pup.

For all of these reasons, we need to take a minimal price increase. Effective Monday, June 1, 2021, there will be a \$2 increase in our daily rate for Doggie Day Care. Any passes purchased prior to this date will be honored, as they do not expire.

SHOULD I BRING IN LUNCH FOR MY PUP?

For young dogs under six months we recommend bringing in a small snack or lunch. This allows them to take a much needed break and to refuel. Please make sure it is in a sealed container and labeled with his or her name.

For older dogs, we ask that you refrain from bringing food in as it usually interrupts their activities and play time. We recommend adding a bit more food to their breakfast and dinner on day care days.

COCO

Coco, a lab, is all smiles all the time! She comes to day care and always gets her moneys worth!! She is usually running and chasing her buddies, but every once in a while she can be found sunbathing by the pool. We just love her sweet smile! Thanks for being you, Coco!
